

**MOTORCYCLING THE HIMALAYAS*****MOTORCYCLING THE HIMALAYAS: EPILOGUE – RIDE
OF A LIFETIME – PART 24***

If you want the real-deal motorcycle challenge, a heart pounding adventure that you'll never forget, this trip should be tattooed on your forehead. Come on man, Kathmandu, Mt. Everest, Tibet, The Potala Palace all woven together with epic road warrior edge-of-the-seat cliffhangers! Alas, how does one top meeting a Kumari Goddess, joining a Nepalese biker gang, standing at the base of the world's largest mountain and sleeping in the home of a Dalai Lama — all while motorcycling the mythic grandeur of the majestic Himalaya on classic Royal Enfields?

WHERE FEW DARE TO GO

Himalayan Road Runner owners Rob and Jack's goal is to take you where the few get to go. They make sure you'll have an experience that is memorable, unique and safe. Without a doubt, they delivered. I still occasionally wake up in the middle of the night, gasping for Everest air, but it's a gentle reminder to savor every breath, every day, with everyone. You will never forget this ride and for me, moving with the mountain brought a confidence, respect and love home to my daily life. I don't see my "first-world" problems as obstacles to my happiness anymore; they are simply minor challenges to be overcome.
